Remarks

With the wind in your hair and the sun on your face, you'll be living the dream at "Summer Winds of Wellfleet." Four waterfront and two water view (total of six) detached cottages are offered for the first time as condominium ownership on the western shore of Wellfleet Harbor. With stunning views of the harbor and distant Great Island and Indian Neck, "Summer Winds" is steps from the calm, sparkling waters of Cape Cod Bay, with direct access to family friendly Mayo Beach. Sitting on an acre + parcel, each condo features deeded, exclusive use outdoor space, private driveways and individually metered town water (in process.) "Summer Winds" is minutes from restaurants, artisan shops, the vibrant arts and entertainment scene and all that Wellfleet has to offer. The very special location of these cottages presents a unique opportunity to design your own dream beach house, with spectacular views of the ocean, the beach, and all the amazing natural habitat it supports.
